Dear Randy;

In writing this long overdue letter to you, Mike and I have greatly enjoyed our association with you and your company. Your expertise and guidance was greatly appreciated. Before, during and after construction it was a pleasure working with you and your crew. The results of our remodel are even beyond our own expectations. When minor "glitches" occurred, they were handled within an acceptable time frame and to our satisfaction. With every facet of our remodel, you maintained a professional, knowledgeable, capable and considerate manner.

Mike and I are very satisfied with the working relationship that developed and with our beautiful room addition.

Please feel free to provide our name to clients who may be considering Randal Winter Construction as their contractor.

Sincerely,

A handwritten signature in cursive script that reads "Mike & Roxanne Brown".
