Dear Randy,

My wife and I would like to extend our sincere appreciation for the quality job you have done! Without question, your approach was not only very professional but ethical. Your suggestions and recommendations for the additional closet and toy box (formerly a window seat) were impressive. You kept everything on schedule and came through on everything promised.

Please feel free to use us as a reference. We will be certain to contact you for future home improvement projects.

Sincerely,

Keith and Laura Russ
