Subject: Window Reconstruction at 19351 Santa Maria Drive

Dear Randal Winter Construction:

I want to thank you for the excellent job you did on the reconstruction of my window. Everything from the initial consultation, the written estimate, payment schedule and execution of the construction was performed in a prompt, professional and friendly manner. Your workers were highly proficient, clean, had good communication skills and chose the finest materials at every phase of the construction.

I have the greatest expectation that upon our next rainy season this window will keep our home dry. It was a pleasure working with all of your people and I would only call Randal Winter if I have any future construction needs.

Yours Truly,
